TECHNICAL COLLEGE

Registered Nursing STUDENT LEARNING OUTCOMES

Upon completion of the program, the student will:

PRACTICE EFFECTIVE COMMUNICATION BY:

1. Collaborating effectively with clients, peers, and members of other health care disciplines.
2. Utilizing information technology to the fullest capabilities to promote safety and quality care.

DEMONSTRATE PROFESSIONALISM AS A REGISTERED NURSE BY:

1. Participating in the diverse and ever-changing roles of the professional nurse in a variety of health care settings.
2. Promoting the holistic health care needs of individuals in all stages of development across the illness/wellness continuum.

PROMOTE KNOWLEDGE/INFORMATION USE THROUGH LIFELONG LEARNING BY:

1. Fostering lifelong learning in an engaging and dynamic environment.
2. Applying the nursing process to prioritize client care.

ACCOMPLISH PATIENT-CENTERED OUTCOMES THROUGH THE USE OF CRITICAL THINKING BY:

1. Integrating evidence-based practice to provide quality, safe, competent care.
2. Enhancing clinical judgment in the professional registered nursing role.
